Dear Hiring Manager,

I am writing to express my interest in the Software Engineering Intern position at your company. I am currently pursuing my master's degree in computer science at Arizona State University, graduating in May 2024. I am excited to apply my skills and knowledge to a real-world environment.

In my previous internships, I have gained experience in software development, testing, and debugging. I have worked on a variety of projects, including developing a mobile application, web development, and data analysis. I have also collaborated with cross-functional teams and stakeholders to ensure timely delivery of projects. I am proficient in programming languages like Java, Python, and C++, and I have hands-on experience with tools like Git, JIRA, and Agile methodologies. I am passionate about technology and continuously seek to learn new skills to stay up to date with the latest trends and advancements in the field.

Under the guidance of professor, I published a Research Paper in ijarst titled " [ISSN: 2457-00362] EMOTION DETECTION THROUGH FACIAL FEATURE RECOGNITION". I designed registration and feedback forms for our college events using technologies like HTML, CSS, PHP, JavaScript, bootstrap, and MySQL etc. I also maintained our college website with timely updates. Having one year of experience in Tata Consultancy Services as a Software Engineer, I learnt several tools and technologies. For the first 5 months I worked for company GlaxoSmithKline later I worked on a big data project related to Comcast organization. Working in this position made me to expose to several tools and technologies and work with diverse teams and met the goals in timely manner which improved my skills in managing large volumes of data with accuracy, time management by being a good team player.

I was thrilled to come across this opportunity as I have been following your company's work in the tech industry for a while now. I am impressed with the company's innovative projects and the dedication to delivering quality products to customers. Being a part of your team would be an invaluable learning experience and an opportunity to contribute to a company that aligns with my career goals.

I believe that this internship will provide me with an opportunity to further enhance my skills and gain practical experience in a professional setting. I am excited to bring my enthusiasm, dedication, and creativity to your team and contribute to the company's success.

Thank you for considering my application. I look forward to hearing from you.

Sincerely,

Sreeja Atluri
